Gold jewelry has always been the epitome of wealth and prosperity in our culture. It is appreciated for not just its shining surface but also the designs that further beautify the distinct features of this metal, in all its glory! While pure gold (24K gold) is always looked up upon for very obvious reasons but it is not possible for one to always get hands on their 24 karat gold jewelry set, various variations are always welcome.

One of the most popular alternatives to the traditional pure gold yellow jewelry is 14K yellow gold jewelry! The widely loved 14k gold jewellery is not just pretty to look at but it is also easy on the pocket and conventional in nature. They come in various designs and styles that win everyone's heart all over again. Also, they are versatile in nature and compliment every outfit flawlessly!

**Here are 5 mesmerizing 14K yellow gold jewelry designs that you need to try:**

### **1. Pink Sapphire and 14K yellow gold designs**

Pink and golden combined together is a beautiful combination that attracts every individual. The similar effect is taken up a notch with beautiful pink sapphire and 14K yellow gold in the form of earrings and necklaces. This jewelry is very popular and widely liked by the public because of its simplicity and versatility.

### **2. Sapphire and Diamonds 14K yellow gold designs**

Similar to pink sapphire and 14k yellow gold jewelry, when you include diamonds into the jewelry design, it climbs up various steps and presents a very elegant and sophisticated look that attracts every eye. They are simple in design, which allows you to be versatile with them and gives you the opportunity to experiment with it.
